PRODUCT SUITABILITY

WHO IS THE PRODUCT SUITABLE FOR?

- The actively managed Sub-Fund is only suitable for investors who:
 - seek long-term capital growth;
 - wish to invest in a diversified portfolio of shares in companies either domiciled or chiefly active in emerging markets and in a sub-fund that promotes environmental and/or social characteristics; and
 - are comfortable with the volatility and risk of a sub-fund which invests at least two-thirds of its assets in shares or other equity interests of companies that are domiciled or chiefly active in emerging markets.

You should consult your financial advisers if in doubt whether this product is suitable for you.

Further Information
Refer to the “Investment Objectives and Policies” section (Para 5.9) of the Singapore Prospectus for further information on product suitability.

KEY PRODUCT FEATURES

WHAT ARE YOU INVESTING IN?

- You are investing in a sub-fund of the Fund, an open-ended investment fund without legally independent status constituted in the form of a FCP under Luxembourg laws, that invests at least two-thirds of its assets in shares or other equity interests of companies that are domiciled or chiefly active in emerging markets.
- The Fund’s investment objective consists in generating strong capital appreciation with a reasonable level of income, while giving due consideration to capital security and the liquidity of the Fund’s assets.
- The Unit Classes with “-acc” in their name are accumulating Unit Classes and the income thereof is reinvested and not distributed unless the Management Company decides otherwise. The Unit Classes with “-dist” in their name are distributing Unit Classes and the income thereof is distributed unless the Management Company decides otherwise. You may receive monthly or quarterly distributions if you invest in

Refer to the “The Fund”, “The Sub-Funds”, “Investment Objectives and Policies” and “Other Material Information” sections (Paras 1, 2, 5 and 19.1) of the Singapore Prospectus for further information

¹ The Singapore Prospectus is available for collection during normal business hours from UBS Asset Management (Singapore) Ltd. (9 Penang Road, Singapore 238459) or any Approved Singapore Distributor.

² UBS Asset Management would categorise this Sub-Fund as an ESG Fund under Circular No. CFC 02/2022 on the Disclosure and Reporting Guidelines for ESG Funds issued by the MAS.

³ Inception date for the P-acc Unit Class (being the earliest incepted unit class available to investors under the Singapore Prospectus). Inception date taken to be 21 July 2009. Although the P-acc Unit Class was constituted before 21 July 2009, the investment objective of the Sub-Fund was changed with effect from 21 July 2009.

⁴ Provided for available Unit Classes incepted before 30 November 2023. Please refer to the Singapore Prospectus for the specific expense ratio of such Unit Class.

<p>a Unit Class with “-mdist” or “-qdist” in its name respectively. Any distributions from the income and/or involving the capital and/or capital gains result in an immediate reduction of the net asset value per unit of the Sub-Fund. <p>Investment Strategy</p>	
<ul style="list-style-type: none"> • This Sub-Fund is categorised as a Sustainability Focus Fund and complies with Article 8 of the SFDR. The following environmental and/or social characteristics are promoted: (i) A sustainability profile that is higher than its benchmark’s sustainability profile or a UBS Blended ESG Score between 7 and 10 (indicating a strong sustainability profile); and (ii) A lower Weighted Average Carbon Intensity than the reference benchmark or a low absolute carbon profile. • This actively managed Sub-Fund invests at least two-thirds of its assets following the principle of risk diversification in shares or other equity interests of companies that are domiciled or chiefly active in emerging markets. • The Sub-Fund invests in the shares of leading companies in sectors benefiting from long-term trends and themes such as consumption, urbanisation, digitalisation, financial inclusion, health care, new technologies, etc. • The Sub-Fund’s assets are not limited to a particular range of market capitalisations, or to any geographical or sectoral allocation. • The Sub-Fund uses the benchmark MSCI Emerging Markets (net dividend reinvested) in order to monitor performance and the ESG profile, as well as for ESG and investment risk management⁴ and portfolio construction purposes. The Portfolio Manager may use discretion when constructing the portfolio and is not tied to the benchmark in terms of investment selection or weight. This means that the investment performance of the Sub-Fund may differ from the benchmark. • The Sub-Fund may invest in both developed and emerging markets. • The Sub-Fund may invest in financial derivative instruments for hedging purposes, for the purpose of efficient portfolio management or investment purposes (optimising returns) to the extent permitted under the Luxembourg laws. • The net asset value of the Sub-Fund may likely have a high volatility due to its investment policies and/or management techniques. 	<p>Refer to the “Investment Objective and Policies” section (Para 5) of the Singapore Prospectus for further information on the investment policy, investment principles and investment restriction of the Sub-Fund.</p>
<p>Parties Involved</p>	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The umbrella fund under which the Sub-Fund is established is UBS (Lux) Equity Fund (i.e. the “Fund”). • The Management Company of the Fund is UBS Asset Management (Europe) S.A.. • The Portfolio Manager is UBS Asset Management (Singapore) Ltd. • The Depository is UBS Europe SE, Luxembourg Branch. 	<p>Refer to the “The Fund”, “Management and Administration” and “Other Parties” (Paras 1, 3 and 4.3) of the Singapore Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.</p>
<p>KEY RISKS</p>	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT</p> <p>The value of the product and its dividends or coupons (if any) may rise or fall. These risk factors may cause you to lose some or all of your investment and your principal may be at risk:</p>	<p>Refer to the “Risk Factors” section (Para 7) of the Singapore Prospectus for further information on the risks of the product.</p>

⁴ This means that the benchmark is used for the purpose of portfolio management risk assessment.

Market and Credit Risks																										
<ul style="list-style-type: none"> • You are exposed to the market risks in emerging markets – Your investments may go up or down due to changing economic, political or market conditions that impact the share prices of the companies that the Sub-Fund invests in. • You are exposed to emerging markets risks – The Sub-Fund makes investments in emerging markets. Such markets are at an early stage of development and suffer from higher risks of expropriation and nationalisation, as well as social, political and economic instability. • You are exposed to exchange rate risks. 																										
Liquidity Risks																										
<ul style="list-style-type: none"> • The Sub-Fund is not listed in Singapore and you can redeem only on Dealing Days – There is no secondary market for the Sub-Fund in Singapore. All redemption requests should be submitted in the manner set out in the Singapore Prospectus. • Execution of your redemption request may be postponed and redemption may be suspended in certain circumstances. 																										
Product-Specific Risks																										
<ul style="list-style-type: none"> • You are exposed to risks of financial derivative instruments – Investments by the Sub-Fund in financial derivative instruments are subject to risks such as general market risk, settlement risk, credit risk and liquidity risk. The markets in financial derivative instruments are volatile. • You are exposed to ESG risks – If a sustainability risk associated with an investment materialises, it could lead to the loss in value of an investment. • You are also exposed to counterparty risks, risks associated with Stock Connect and liquidity risks of the Sub-Fund’s investments.
