You should consult your financial advisers if in doubt whether this product is suitable for you.

Further Information

Refer to the “Investment Objectives and Policies” section (Para 5.8) of the Singapore Prospectus for further information on product suitability.

KEY PRODUCT FEATURES

WHAT ARE YOU INVESTING IN?

- You are investing in a sub-fund under the Company, an open-ended investment fund constituted in the form of a SICAV under Luxembourg laws, that aims to achieve capital growth and generate income by investing in a diversified portfolio with a focus on Asia.
- The Company aims to achieve high growth and/or current earnings, while giving due consideration to capital security and the liquidity of the Company’s assets.
- The Share Classes with “-acc” in their name are accumulating Share Classes and the income thereof is not distributed unless the Company decides otherwise. The Share Classes with “-dist” in their name are distributing Share Classes and the income thereof is distributed unless the Company decides otherwise. You may receive monthly or quarterly distributions if you invest in a Share Class with “-mdist” or “-qdist” in its name respectively. Any distribution results in an immediate reduction of the net asset value per share of the Sub-Fund. Distributions out of capital result in the reduction of an investor’s original capital invested in the Sub-Fund.

Refer to the “The Company”, “The Sub-Funds”, “Investment Objectives and Policies” and “Other Material Information” sections (Paras 1, 2, 5 and 19.1) of the Singapore Prospectus for further information on features of the product.

¹ The Singapore Prospectus is available for collection during normal business hours from UBS Asset Management (Singapore) Ltd. (9 Penang Road, Singapore 238459) or any Approved Singapore Distributor.

² Formerly known as UBS (Lux) Key Selection SICAV – Emerging Markets Income (USD).

³ Inception date for the earliest inception Share Class(es).

⁴ Provided for available Share Classes inception before 30 September 2022. Please refer to the Singapore Prospectus for the specific expense ratio of such Share Classes. The investment policy and approach of the Sub-Fund was changed with effect from 3 August 2021. You should note that the expense ratios of the Share Classes (which are based on the latest audited accounts issued as at the date of this Product Highlights Sheet (for the financial period ended 30 September 2022)) reflect both the old investment policy and approach and the new investment policy and approach that has been implemented.

Investment Strategy	
<ul style="list-style-type: none"> • UBS Asset Management categorises this Sub-Fund as an ESG integration fund which does not promote particular ESG characteristics or pursues a specific sustainability or impact objective. • The Sub-Fund is actively managed, without reference to a benchmark. • The Sub-Fund invests mainly in equities and equity rights (including Real Estate Investment Trusts) or bonds and claims of companies domiciled or chiefly active in Asia. Within the legally permissible framework, the Sub-Fund also invests in non-traditional asset classes focusing for instance on infrastructure or commodities via financial derivative instruments, UCIs and/ or UCITS. • The Sub-Fund's exposure may also include Chinese A shares traded via Stock Connects. • The Sub-Fund may invest in fixed-income instruments denominated in RMB and traded on the CIBM or through Bond Connect. These instruments may include securities issued by governments, quasi-public corporations, banks, corporations and other institutions in the People's Republic of China that are authorised to be traded directly on the CIBM or through Bond Connect. • The Sub-Fund may also invest up to 10% of its net assets in contingent convertible bonds (CoCos). • In order to fulfill its investment objective and achieve broad diversification, the Sub-Fund may invest up to 10% of its net assets in UCITS and other UCIs. • The Sub-Fund also invests in currencies other than the base currency. • The Sub-Fund also invests in emerging markets within Asia. • The Sub-Fund's net asset value may have a high volatility due to its investment policies or portfolio management techniques. • Investments of the Sub-Fund may be subject to substantial fluctuations. The Sub-Fund's net asset value may fluctuate significantly due to its equity exposure, which may be very high, and is also impacted by changes in interest rates given the fixed income holdings. No guarantee can be given that the net asset value of the Sub-Fund will not fall below its value at the time of acquisition. 	<p>Refer to the "Investment Objectives and Policies" section (Para 5) of the Singapore Prospectus for further information on the investment policy, investment principles and investment restriction of the Sub-Fund.</p>
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The umbrella fund under which the Sub-Fund is constituted is UBS (Lux) Key Selection SICAV i.e. the "Company". • The Management Company of the Company is UBS Fund Management (Luxembourg) S.A.. • The Portfolio Manager of the Sub-Fund is UBS Asset Management (Hong Kong) Limited. • The Depositary is UBS Europe SE, Luxembourg Branch. 	<p>Refer to the "The Company", "Management and Administration", "Other Parties" and "Other Material Information" sections (Paras 1, 3, 4.3 and 19.3) of the Singapore Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.</p>
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT</p> <p>The value of the product and its dividends or coupons (if any) may rise or fall. These risk factors may cause you to lose some or all of your investment and your principal may be at risk:</p>	<p>Refer to the "Risk Factors" section (Para 7) of the Singapore Prospectus for further information on the risks of the product.</p>

Market and Credit Risks										
<ul style="list-style-type: none"> • You are exposed to emerging markets risks – The Sub-Fund invests in emerging markets within Asia. Such markets are at an early stage of development and suffer from higher risks of expropriation and nationalisation, as well as social, political and economic instability. • You are exposed to market risks – Your investments may go up or down due to changing economic, political or market conditions that impact the share price of the companies that the Sub-Fund invests in. • You are exposed to exchange rate risks. 										
Liquidity Risks										
<ul style="list-style-type: none"> • The Sub-Fund is not listed in Singapore and you can redeem only on Dealing Days – There is no secondary market for the Sub-Fund in Singapore. All redemption requests should be submitted in the manner set out in the Singapore Prospectus. • Execution of your redemption request may be postponed and redemption may be suspended in certain circumstances. 										
Product-Specific Risks										
<ul style="list-style-type: none"> • You are exposed to risks of financial derivative instruments – Investments by the Sub-Fund in financial derivative instruments are subject to risks such as general market risk, settlement risk, credit risk, volatility risk and liquidity risk. The markets in financial derivative instruments are volatile. • You are exposed to risks of the Sub-Fund’s participation in the performance of commodities indices – Portfolios with investments in commodities are generally more volatile than pure equity portfolios. • You are exposed to risks associated with CoCos – The use of CoCos gives rise to structure-specific risks including liquidity risk and conversion risk. CoCos are also subject to trigger level risk, capital structure inversion risk, return or valuation risk, call extension risk, risk of coupon payment suspensions. As a result of the uncertainty regarding coupon payments, CoCos are volatile. Finally, CoCos are subject to unknown risk. • You are exposed to ESG risks – If a sustainability risk associated with an investment materialises, it could lead to the loss in value of an investment. • You are also exposed to risks in relation to investments in bonds and high yield bonds, liquidity risks of the Sub-Fund’s investments, counterparty risks, risks associated with the Stock Connects and risks associated with the CIBM.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

Valuations are performed on each Dealing Day. The indicative issue prices and redemption prices of the Shares are normally published in Singapore at <https://www.ubs.com/sg/en/asset-management.html> within two Singapore Business Days immediately succeeding each Dealing Day.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COST IN DOING SO?

- The Company does not offer a right to cancel subscription orders for Shares of the Sub-Fund after the dealing deadline.
- You can exit the Sub-Fund only by submitting your redemption order to the relevant Approved Singapore Distributor on any Singapore Dealing Day.
- You will normally receive the redemption proceeds by the third day after the order date or as advised by the relevant Approved Singapore Distributor.
- The redemption price of your Shares is determined as follows:
 - Orders received by the Approved Singapore Distributors before the applicable Singapore Cut Off Time (4 p.m. Singapore time) will, if accepted by the Administrative Agent prior to the dealing deadline for such Dealing Day, be processed on the basis of the net asset value calculated as per that day after the dealing deadline.
 - Orders received by the Approved Singapore Distributors after the Singapore Cut Off Time (4 p.m. Singapore time) or at any time on a day which is not a Singapore Dealing Day shall be deemed as having been received by the Approved Singapore Distributor before the Singapore Cut Off Time on the next Singapore Dealing Day. (Please note that certain Approved Singapore Distributors may impose an earlier cut-off time.)
- The redemption proceeds that you will receive will be the redemption price per Share multiplied by the number of Shares redeemed, less any charges. An example is as follows:

$$\begin{array}{ccccccc}
 1,000 \text{ Shares} & \times & \$110.00 & = & \$110,000.00 & - & \$0 \\
 \text{Redemption} & & \text{Redemption} & & \text{Gross} & & \text{Redemption} \\

 & & & & \text{Proceeds} & & \\
 & & & & & & \text{Net Redemption} \\
 & & & & & & \text{Proceeds}
 \end{array}$$

* There is currently no Redemption Commission payable.

Refer to the "Obtaining Price Information in Singapore", "Subscription for Shares" and "Redemption of Shares" sections (Paras 12, 8.6 and 10) of the Singapore Prospectus for further information on valuation and exiting from the product.
